

## George A. Mandelaris, DDS, MS

### Curriculum Vitae

#### **EDUCATION**

July 1996 - June 1999	University of Louisville, School of Dentistry (Louisville, Kentucky). Awarded Certificate in Periodontics and Master of Science (M.S.) Degree in Oral Biology.
Sept. 1992 - May 1996	University of Michigan, School of Dentistry (Ann Arbor, Michigan) Awarded Doctor of Dental Surgery (D.D.S.) Degree.
Sept. 1989 - May 1992	University of Michigan; College of Literature, Science and Arts.

#### **LICENSURE**

June 2001 – Present	Associate Medical Staff, Department of Surgery, Division of Dentistry, Advocate Lutheran General Hospital (Park Ridge, IL)
May 2000 - Present	Diplomate, American Board of Periodontology
February 2000 - 2003	State of Michigan Specialty License in Periodontics
November 1999 - 2003	State of Michigan Dental License
August 1999 - Present	State of Illinois Specialty License in Periodontics
July 1999	NorthEast Regional Specialty Board (NERB) Examination in Periodontics
March 1999 - Present	State of Illinois Dental License
June 1996 – 2002	Commonwealth of Kentucky Dental License
September 1996	NorthEast Regional Board of Dental Examiners (NERB)

#### **AWARDS and HONORS**

2008-2009	Selected as a peer reviewer for select articles submitted to the <i>International Journal of Oral and Maxillofacial Implants</i> (the official publication of the Academy of Osseointegration).
2007-2008	Selected as a peer reviewer for select articles submitted to the <i>Journal of Periodontology</i> (the official publication of the American Academy of Periodontology).
September 1999	1999 Dr. and Mrs. Gerald M. Kramer Scholarship for Excellence Finalist. American Academy of Periodontology Foundation.
September 1998	1997/1998 National Competition for Graduate Students: Case documentation of PerioGlas® and/or Atrisorb® sponsored by Block Drug Corporation; First Place Award.

- January 1998 1998 Hellenic American Dental Society of Chicago Student Scholarship recipient.
- May 1996 1996 recipient of the Max B. Winslow Award in clinical periodontics.
- March 1995 1995 American Association for Dental Research Student Research Fellowship recipient.
- March 1994 University of Michigan Student Research Group Fellowship recipient.

## **RESEARCH**

- Sept. 1996 - June 1999 Masters Thesis: "The Effect of a Dilute Hydrogen Peroxide Mouthrinse As A Subgingival Lavage During Supportive Periodontal Maintenance Therapy. A 12 Month Clinical and Microbiological Investigation".
- March 1995 - May 1996 1995 American Association for Dental Research Student Research Fellowship recipient to conduct research project: "Comparison Between Modified Ultrasonic Tips, Diamond Bur to Hand Instrumentation in Furcation Molars: An *In Vitro* Study".
- Winter 1995 and 1996 One of nine U of M dental students selected to participate in Dental Student Research Elective course (a seminar and laboratory course offered to students actively involved in research projects).
- Summer 1994 University of Michigan Student Research Group Fellowship Recipient to conduct research project: "Comparative Analysis Between Different Ultrasonic Scaler Tips to the Hand Instrumentation Based on Clinical Parameters of Periodontal Disease".
- Summer 1993 Research Assistant for the study: "The Effect of Low Dosage Doxycycline in Patients with Periodontitis". University of Michigan, School of Dentistry, Department of Graduate Periodontics.
- Summer 1993 Research Assistant for the study: "Molecular Regulation of the Parathyroid Hormone Receptor". University of Michigan, School of Dentistry, Department of Periodontics/Prevention/Geriatrics.

## **PRESENTATIONS**

- April 17<sup>th</sup>, 2009 Principles of Computer Guided Implantology. All day lecture to the Dawson-Pankey Study Club of DuPage County. (Downers Grove, IL)
- March 17, 2009 Is restorative leadership a myth? How to ensure collaborative accountability using computer guided implantology. Presented to the Fox River Valley Dental Society (Geneva, IL)
- March 1, 2009 Is restorative leadership a myth? How to ensure collaborative accountability using computer guided implantology. Presented to the American Academy of Restorative Dentistry. (Chicago, IL)
- February 28, 2009 Collaborative accountability and the art of computer guided implantology. Presented to the Chicago dental societies midwinter meeting on behalf of the Illinois Society of Periodontists. (Chicago, IL)
- February 27, 2008 Principles of Computer Guided Implantology. All day presentation to the 2009 Midwest Society of Periodontology's Annual Session. (Chicago, IL)
- November 13-14, 2008 Collaborative Accountability and the Art of Guided Implantology. Presented to the Premiere study club and Master's study club (Seattle, WA).
- November 6-8, 2008 Collaborative Accountability and the Art of Guided Implantology. Live surgery demonstration of a prototype cutting guide for precise outlining of the lateral window. Presented at PerioHealth Seminars for Drs. Mike McGuire and E.Todd Scheyer (Houston, Texas).
- May 31, 2008 Sinus floor augmentation in the atrophic maxilla: A novel approach using guided surgery with and without simultaneous implant placement. Presented at the 2008 Materialise SimPlant Academy World Conference (Vienna, Austria).

- May 16, 2008 Collaborative Accountability and the Art of Guided Implantology. Presented on behalf of RDH Health Services. (Troy, MI).
- May 15, 2008. Collaborative Accountability and Computer Guided Implantology. Presented to the University of Michigan, School of Dentistry, Graduate Periodontal Residents. (Ann Arbor, MI)
- April 30, 2008 Reaching the next level with computer guided implantology. Presented to the Connecticut Society of Periodontists Annual Spring Meeting entitled "Rising Stars In Periodontics" (Cromwell, CT).
- April 24, 2008 CT Guidance Technology. All day lecture presented at the Biomet 3i Global Symposium. (Chicago, IL)
- April 11-12, 2008 Clinical applications in Computer Guided Implantology. 2 day lecture presented to beginner and advanced SimPlant users. (Seattle, WA)
- October 24, 2007 Computer Guided Implantology and the evolution of Collaborative Accountability. Presented to the Dawson-Pankey Study Club of Dupage County (Downers Grove, IL)
- August 24-25, 2007 Clinical applications in Computer Guided Implantology. 2 day lecture presented to advanced SimPlant users. (Lisle, IL)
- June 1-2, 2007 Collaborative Accountability. The philosophical mantra for prosthetically directed implant therapy. Materialise World Symposium (Washington, DC).
- March 3-4, 2007 Selected to participate in the opinion leaders conference sponsored by Johnson and Johnson and hosted by The Avenues Company. "The use of Ossix Plus bioresorbable collagen membrane. Clinical assessment based on 3 months of personal experience". (Phoenix, AZ).
- February 9, 2007 Computer Guided Implantology Level One Training Course (Dallas, Texas) Sponsored by Materialise Dental USA.
- November 3-4, 2006 Computer Guided Implantology Level One Training Course held in Houston, Texas sponsored by Drs. Michael McGuire and E. Todd Scheyer. Sponsored by Materialise Dental USA and Implant Innovations (3i).
- September 15, 2006 Selected to participate in "The Next Big Ideas: Emerging Technologies and Rising Stars in Periodontology" sponsored by The Avenues Company held in conjunction with the 92<sup>nd</sup> annual meeting of the American Academy of Periodontology. Presented with Dr. Alan Rosenfeld on Computer Guided Implantology on behalf of Materialise Dental. (San Diego, CA)
- July 28-30, 2006 Selected to participate in "The Next Big Ideas: Emerging Technologies and Rising Stars in Periodontology" sponsored by The Avenues Company. Presented with Dr. Alan Rosenfeld on Computer Guided Implantology on behalf of Materialise Dental. (Sedona, AZ)
- April 14, 2006 A collaborative strategy to immediate loading of dental implants. Presented to the University of Louisville, Graduate Periodontal Residency Program (Louisville, KY).
- January 17, 2006 A collaborative strategy to immediate loading of dental implants. Presented to the Wheaton Dental Society Study Club (Wheaton, IL).

- November 17, 2005      The New Era of Implantology. The use of 3D imaging, stereolithographic modeling and surgical guides to deliver prosthetically directed treatment outcomes. Presented to study club of Drs. Michael McGuire and E. Todd Scheyer (Houston, TX).
- November 5, 2005      The evolution of collaborative accountability and the achievement of predictable implant supported prosthetic outcomes. Co-presentation with Dr. Dennis Hartlieb at the 2005 Materialise World Symposium (Chicago, IL).
- May 4, 2005            The New Era of Implantology. The use of 3D imaging, stereolithographic modeling and surgical guides to deliver prosthetically directed treatment outcomes. Computer Guided Implantology Seminar with SimPlant Training (Co-sponsored by Facial Imaging) (Rocky Hill, CT).
- September 21, 2004    “Collaborative Accountability: Management of diagnostic information, planning and execution of minimally invasive implant installation in the esthetic zone. Absolute anchorage for orthodontic therapy” presented to the Chicago Academy of Dental Research. (Chicago, IL)
- June 3, 2004            Ob/Gyn M & M grand rounds presenter at Lutheran General Hospital on “The relationship between Pre Term Low Birth Weight and Inflammatory Periodontitis”. (Park Ridge, IL)
- November, 2003        Dental Management of the Cancer Patient. Protocol for Patient Management. Lutheran General Hospital (Park Ridge, IL).
- September 16, 2003    Guest presenter to the Chicago Dental Forum Study Club on “Management of Diagnostic Information in the Development of an Anterior Esthetic Prosthetically Directed Implant Restoration”. (Chicago, IL)
- Sept. 1999              Selected for poster presentation of “Effect of a Hydrogen Peroxide - Zinc Chloride Subgingival Lavage During Maintenance on the Bacterial Repopulation Rate.” American Academy of Periodontology’s 86<sup>th</sup> Annual Session (San Antonio, Texas).
- Mar. 13 - 17, 1996      Selected for poster presentation of: "Cervical Enamel Projections in Mandibular Molars" at the 1996 American Association for Dental Research’s Annual Session (San Francisco, California).
- Mar. 8 - 12, 1995      Selected for poster presentation of: "An Evaluation of Ultrasonic Scalers in Periodontal Maintenance Therapy" at the 1995 American Association for Dental Research’s Annual Session (San Antonio, Texas).
- Feb. 5, 1995            Poster presentation of "An Evaluation of Ultrasonic Scalers in Periodontal Maintenance Therapy" at the University of Michigan Table Clinics.
- Nov. 5, 1995            Selected for poster presentation of "An Evaluation of Ultrasonic Scalers in Periodontal Maintenance Therapy" at the annual University of Michigan - Ohio State University Dental Student Research Duel.
